For more information about our organization, please visit the following web sites: www.palmspringscc.com, www.visitpalmsprings.com, www.smgworld.com

POSITION SUMMARY

Position is responsible for maintaining all facility equipment, including HVAC, plumbing and electrical plants; lighting and climate control systems; roofing systems; telecommunications, maintenance/cleaning equipment, painting interior and/or exterior of walls or building surfaces and assisting with general building maintenance.

ESSENTIAL RESPONSIBILITIES

Engineering

- Ensures proper and efficient operation of all building systems and equipment.
- Performs routine inspections throughout facility to detect wearing, malfunctions or breakdowns.
- Investigates malfunctions or breakdowns of systems to diagnose causes and locate the source of the problem.
- Make repairs to equipment, systems and devices as assigned within the scope of individual skillset.
- Anticipates potential malfunctions or breakdowns and takes appropriate action to prevent or minimize curtailment of services.
- Operates auxiliary supply systems when necessary.
- Coordinates shutdown and start-ups of utilities when necessary.
- Works with vendors and contractors in maintenance and repair of systems and equipment.
- Ensures compliance with OSHA, NFPA and all other applicable laws and regulations.
- Assists with emergency action plans for system malfunctions or breakdowns.
- Analyzes needs and assists with preventative maintenance programs and upgrades for systems.
- Operates equipment, such as industrial trucks, pallet jacks, forklifts, scrubbing machines or other light power-driven equipment.
- Ensures proper utilization and processing of work orders.

Maintenance

- Assists with facility cleaning and janitorial tasks including, but not limited to, cleaning and stocking restrooms; sweeping, mopping, dusting, trash removal, vacuuming, spot cleaning, washing, stripping, carpet cleaning, window washing and waxing as needed.
- Assists with facility equipment maintenance and repair including, but not limited to, cleaning chairs, repairing risers, tables and any other equipment as needed.
- Assists with basic building repairs and maintenance including, but not limited to, painting, wall repair, carpet removal and replacement, equipment installations, changing light bulbs, debris removal, landscaping and other general labor activities.
- Assists with set up and take down flooring, portable chairs, operable walls, barricades, staging, tables, telephones and other equipment for the successful execution of events as needed.
- Painting interior and exterior wall and building surfaces as needed.

Other

- Promotes and fulfills SMG goals and brand promise.
- Participates in safety programs to achieve safety goals.
- Assists the department and organization with various projects and special assignments as needed.
- Assist clients and facility visitors as needed.
- Attends and participates in planning, training, and staff meetings.
- Performs other assigned duties as required.
